

## Job descriptions – Senior Regional Staff

### **Regional Head Coach**

The Head Coach will lead up all coaching activity for the Senior Regional teams. They will be responsible for setting the curriculum for the trial and training days, as well as organising and tasking other coaches with their roles & responsibilities for each coaching day. The Head Coach will also be committed to helping develop players of all abilities during the development day. For squad training and the tournament, the Head Coach will adopt the position of A Team lead coach.

Head coach should hold a minimum of a level 2 English Lacrosse coaching qualification, preferably level 3 or higher. They must have experience coaching women's lacrosse at Regional level or higher. The successful applicant will be organised, reliable, committed, fair, assertive and work well within a team of coaches. They should have a forward thinking and innovative approach to coaching and be able to develop players in a short space of time.

Roles available:

Senior Women's Head Coach

Payment: £70/ coaching day + reasonable travel expenses

### **Regional Assistant Coach (3 positions available - A team coach, 2x B team coach)**

Assistant coaches will report to the head coach of their Regional team. They will assist selecting the squads, deliver coaching sessions as outlined by the head coach, and offer feedback and input to the coaching curriculum. For squad training and the tournament, the assistant coaches will be responsible for their teams as appointed and will follow the plans as set by the Head Coach.

Assistant coaches require a minimum level 1 English Lacrosse coaching qualification, preferably level 2 or higher. They should have experience coaching women's lacrosse at university level or higher. The successful applicant will be organised, reliable, fair, assertive and work well within a team of coaches.

Roles available:

Senior Women's Assistant Coach x 3

Payment: £50/coaching day + reasonable travel expenses
